

TOWN OF HIGHLAND WTC MEMORIAL

The Heroes of 9/11 are being honored with a Memorial next to the Town of Highland. It will be the home of World Trade Center Artifact I00691. Help us build the Town of Highland WTC Memorial. The Project is a true grass-roots effort, with many people donating their time and energy to what they consider a small gesture of their gratitude for what Firefighters, Police, and EMT workers have given. In addition, our existing Veterans' Memorials will be fully refurbished and restored to their former glory as part of this project. You can help by purchasing a personalized paver which will be placed in a walkway. Your support will be permanently "set in stone". The donation for the paver is \$100.00 each and includes 3 lines to custom engraving with up to 14 characters per line. Please show your support for the project. Fill in the blocks below with the message or name of your choice. Please make checks payable to: Town of Highland WTC Memorial Fund, PO Box 91, Eldred New York 12732. Thank you for your support.
